You will be riding approximately 98 miles with 10,000 feet of climbing from Canyons Village to Snowbird Resort. There is also a race within the ride, with a timed section on the final climb up Little Cottonwood Canyon. There will be a podium ceremony and prizes awarded to the top 3 men and women!

Tickets are available for purchase for \$30 on the Ultimate Challenge registration page. There will be great food, live music, and celebrity guest appearances (you'll have to be there to find out who!).

Bring your family and friends to celebrate and enjoy a great evening in the mountains.

We highly encourage everyone to come up Friday night for packet pickup and Taco Party, and we suggest you make a night of it by staying at Canyons Village. That way, all you have to do is get a great night of sleep and wake up for breakfast in the Village before the start. You can reserve a room at the Canyons Village by going to this link: <https://bit.ly/2Ndcst7>

What will be included in your packet:

- Swag bag with your start number, timing chip, Ultimate Challenge t-shirt, DNA musette bag, Bonk Breaker products, and other goodies!
- Wristband with meal and drink tickets to use post ride. Also, the emergency contact number will be printed on the wristband.
- Map and elevation guide printed onto a card you can have in your jersey pocket for reference along the route about feed zones, climbs, turns, etc.

PARKING

4000 Canyons Resort Dr, Park City, UT 84098

Follow UT-224 from I-80 towards Park City. After 3 miles, turn right onto Canyons Resort Drive and follow it to signs directing entry to the base parking facilities. Parking for Ultimate Challenge is located in the Cabriolet Lot. Look for the Ultimate Challenge pop-up tent located in the Cabriolet Lot. Please note that surface parking lots are not available for overnight parking.

*Once parked, ride the Cabriolet lift to the top of Canyons Village, or ride your bike to the top. There will be signage directing you where to go.

BAG CHECK

There will be an Ultimate Challenge tent set up in the Cabriolet Lot for you to drop your gear that you will need at the finish line. Please make sure that it is properly marked so that your bag can be retrieved easily at the finish line. You can use the luggage tear-off tag from your bib number to identify your bag.

EQUIPMENT

- Make sure you have your helmet! Helmets with buckled chin straps are a requirement for all riders and must be worn at all times.
- Cycling shoes, socks, gloves, glasses, bibs, jersey, water bottles, Garmin/bike computer.
- You may want to pack arm/leg warmers, a wind vest and/or a rain jacket (check the weather).
- Saddle bag with spare tubes and CO2 cartridges and/or a hand pump, even a multi tool is smart.
- Headphones of any kind are NOT allowed.
- Make sure your bib number is pinned to the back of your jersey.
- Your drop bag should have a change of clothes for post ride. Nobody wants to walk around in a sweaty, stinky chamois for hours after being in your kit all day!

TIMING

The timing chip found in your packet should be attached to your bike so that you can receive a time up Little Cottonwood Canyon. In order for you to receive a time, you must cross the timing mat at the base of Little Cottonwood Canyon by 1:30 p.m. If you do not cross the timing mat by then, you will not receive a time. The top three times (both men and women) will have the opportunity to participate in a podium presentation and have their names announced. In order to be considered for the podium, you must complete the ride by 1:45 p.m.

Full results will be posted on the Ultimate Challenge website a few days after the race.

MEDICAL & MECHANICAL ASSISTANCE

On the wristband included in your packet you will find a phone number. This is the number you should call if you need any medical or mechanical assistance while out on the road. If there is an emergency, please call 911 prior to calling the medical assistance phone. Then call the number on the wristband to inform the race director of the issue.

RULES OF THE ROAD

This is NOT a closed course! Please abide by the rules of the road the entire time you are out on course. Obey the flow of traffic, stop at traffic lights and stop signs, yield to pedestrians, and respect the riders around you at all times. Let's keep this fun and accident-free.

Keep it Clean Please! By entering the Ultimate Challenge and the beautiful Utah roads, you commit to respect the environment. Please do not leave any type of waste (paper, plastic packaging etc.) on the course. Also, all cyclists must use the portable toilets positioned at each feed station and event village. Urinating in public is illegal in all 50 states. A person in breach of this law could technically be charged with disorderly conduct, indecent exposure or public lewdness.

POST RIDE

WHERE TO GO

After you finish the Ultimate Challenge, you will be directed to the top of the Expo area where you will find all of the UC specific post-ride happenings. Please follow the green arrows through the expo to the top of the hill where you will find the bike valet, pick up your bag from gear check, receive your finisher's medal (pint glass), and party/recover at the Ultimate Challenge hospitality tent with all the food and drinks that you deserve.

BIKE VALET

A secure bike valet will be available for you to leave your bike while you enjoy food and drinks, and where you can watch the pro race finish. You will receive a ticket that you must use to redeem your bike when you are ready to leave.

BAG CHECK

After you drop your bike, please go to the Ultimate Challenge 10'x10' tent to grab your gear. This is where you will receive your commemorative Ultimate Challenge pint glass!

HOSPITALITY

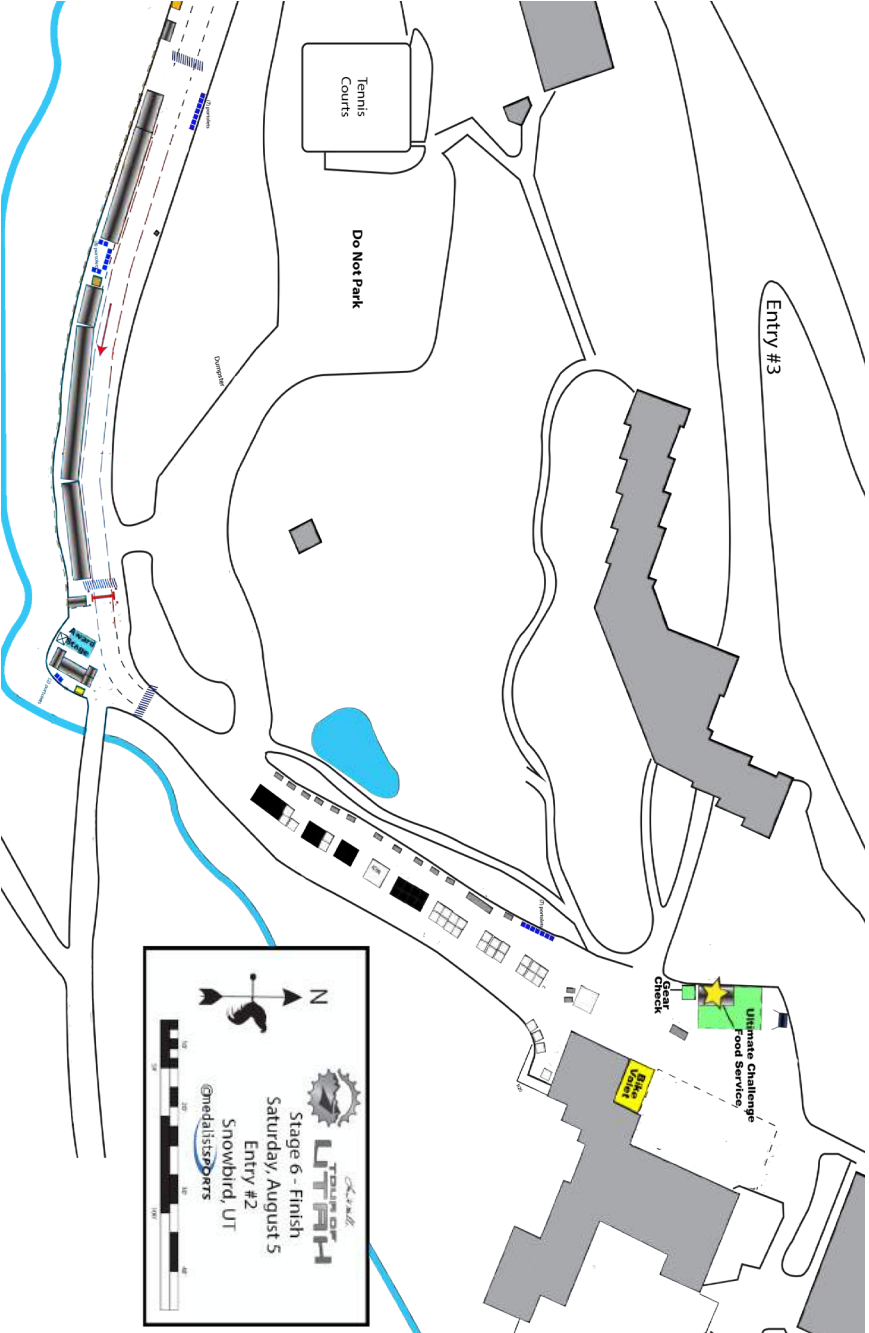

After the ride, come into the hospitality tent, get off your feet, and kick back and relax as you enjoy a meal and drinks. Your wristband includes three tear-offs: one tear-off you will use for your meal, and the other two you can use for alcoholic drinks. If your family or friends did not participate in Ultimate Challenge, but they would like to eat in the hospitality tent with you, tickets are available for purchase at this website: <https://bit.ly/2L7djyl>

WHAT IF I DON'T FINISH?

You have an "I'm toast" option! If you choose to stop and not climb Little Cottonwood Canyon, the food truck in the swamp lot at Feed Zone #5 will accept your meal ticket. Friends and family can spectate there and enjoy the rest of your race there. The food truck will be selling to the general public as well.
